Selena Frost

Check out this hot little number and see if you don't have a good night's sleep thinking about tucking SEXY Selena into bed.

I'm such a horny bitch that I have to absolutely masturbate into my tight white knickers, just about everyday. My husband seems to have forgotten that I am not just his wife but also his lover, having sex with him is just so robotic and boring, we hardly ever have any. These days I am pleasuring myself with my two little fingers or using a vibrating toy to massage the pink walls of my pussy. I would really love it if someone would get in touch with me and help satisfy my slippery pussy, it's just gagging for a good fuck. Please help!

Exclusive readers' stories:

WATCHING MY WIFE

Best mates share everything, even sex with another mans wife. The wife gets more than a wet dream!!!

FUCK MY BEST MATE

I've got this thing about fucking my wife in her sleep and luckily for me she always pretends to be fast asleep when I sneak my cock into her snatch during the night! I know that she's awake and we never talk about it, it's just one of those odd things that couples do to keep things exciting. It usually happens at around about 1am when I wake up busting for a pee. By the time I get back to bed I'm wide awake and the sight of Elly lying naked in bed curled up in a ball with her pussy just peaking out from between her butt cheeks always gets me hard as nails. Sometimes if my

"Within minutes he stopped pushing, and I knew his 7 inch cock was all the way inside Elly"
...

wife wants really rough sex she'll wait until I've been fucking her from behind for a few minutes before pretending to wake up from her slumber. It's at this point when she gets on all fours and lets me fuck her until we both cum and collapse!

My best mate Garry is a bit of a piss head and he's always crashing at our house and when he stays over he would always take a glance at her chest and legs and since he hasn't had a girlfriend in years he would always get a stiffy when my wife walked around in her underwear. My mate and I would always stay up late and have a few beers and one night we got on to the discussion of me fucking Elly while she pretended to

be sleeping. Garry jokingly said that it would be really funny one night if he took my place and gave Elly a good seeing to. He was just joking but the whole idea actually really turned me on! I told Garry that I was up for it and we agreed that the next night we'd do it, or more to the point he'd do my wife!

The night started off as it usually did, we fucked for half an hour before we both came and then she told me she was sleepy. I knew exactly what she was saying, it was a hint for me to go downstairs for a few drinks with Garry and when I was done she'd be waiting for me in an inviting position ready for some more cock! I went downstairs and found Garry waiting on the sofa with two six packs of chilled beer. We watched a game of footy and then made the decision that it was now or never! Garry stripped naked and walked up the stairs with me, his cock getting harder with every step. By the time we got to my wife and my bedroom he was fully hard and looking down at his cock I couldn't believe how similar it was to mine in both size and girth, it was at this point that I knew that everything was going to be perfect.

I opened the door slowly and I could see that Garry was so excited when he saw my wife pretending to be sleeping peacefully under the covers. Garry walked over to her and slowly crawled in my bed, under the blanket, and beside Elly. My cock was so hard just watching him get in bed, and my heart was beating like crazy.

Elly was in a fetal position, so her back was facing Garry, he positioned himself towards my wife so that they were spooning. His right arm was holding his cock and was trying to find her pussy. It took a minute, but his cock felt the wet opening and it sank an inch right in. He gently grabbed her hips, and he slowly,

slowly, pushed his hard cock deeper, and deeper inside her. I was so turned on that I had pulled my cock out without even realising and I was jacking off while I watched my best mate sinking his cock in my wife's tight pussy. Within minutes, he stopped pushing, and I knew his 7 inch cock was all the way inside Elly I watched as he slid his long cock out, and then slowly sinking it back in again. He did this for almost 10 minutes, until he picked up the pace. He was thrusting his cock in a rhythm, but not roughly to shake the bed. After 5 minutes, he slammed his wet hard cock covered in my wife's juices into her pussy and squirted loads and loads of cum into her.

He was breathing heavily and hugging Elly while his cock was still inside her. Afterwards, we both left the room and headed off downstairs. Garry told me that he never fucked a tight pussy like Elly's before and that he couldn't wait to do it again, which I agreed would be any time soon. I sneaked back in my bed and I could feel my mate's cum on the sheets of our bed after it had dripped out of Elly's still gapping pussy. I put my hands on her thighs and felt and they were soaking wet with cum and pussy juices. My cock was hard again, and without thinking I pushed my cock in to her pussy. It went in so easily since it was all slippery and juicy. I did my usual deed and came for a 3rd time that night. Just as I was pulling out Elly turned to me and told me that she loved having my cock in me and that having Garry's cock in her was just as much fun. It seems that she had overheard us talking downstairs and just gone along with the ride. Garry didn't have to wait too much longer before sinking his cock in Elly because ten minutes later the three of us were having a rampant threesome on the sofa that Garry was spending the night on. It's amazing how some things turn out!

Sabrina Pierce

Thanks to Rob Pierce for these wonderful pictures of his adorable 24-year-old wife Sabrina.

'My husband likes me to pose nude for his own sexual kicks. I love to excite him, posing in different ways and watching his dick grow. When his penis gets hard enough and close to my lips, I don't hesitate to give it a suck. My husband Rob and I are both keen to experience group sex, MMF or FFM, as we both want to have a more exciting sex life.'

READERS' PHOTOS!

YOU CAN GET IN TOUCH WITH THE GIRLS BY WRITING TO THEM AT:
TROJAN PUBLISHING, PO BOX 62671, LONDON, EC1V 9WE

We receive so many photos every month and for those readers unlucky enough not to win £200 and a professional photo shoot we've reserved these pages especially for you! We love receiving all of your pictures and the magazine wouldn't survive without them so if you'd like to be in with a chance of winning £200 and appearing in the magazine turn to page 59 to find out more!

My husband seems to take any opportunity to photograph me in the nude, so I thought I would make his day and put them into a porn mag, which I'm sure he would like. The trouble is he always makes me late for my work and personal appointments, as we both end up shagging somewhere in the house.

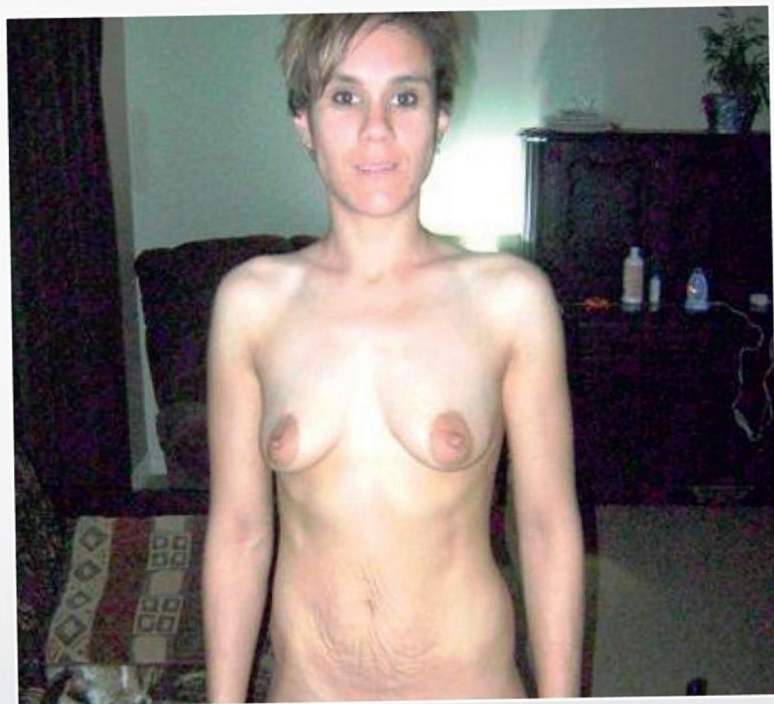

Tina Strouss - London

Tina Strouss

Hi to all the sexy readers I'm looking for a nice guy to treat me mean. I like to experiment and I'm happy to share the bedroom with more than just one guy or girl, and maybe make a movie or two. I can be really dirty and love to be fucked in the arse like a little slut. X
Hannah Barker - Guildford

Hannah

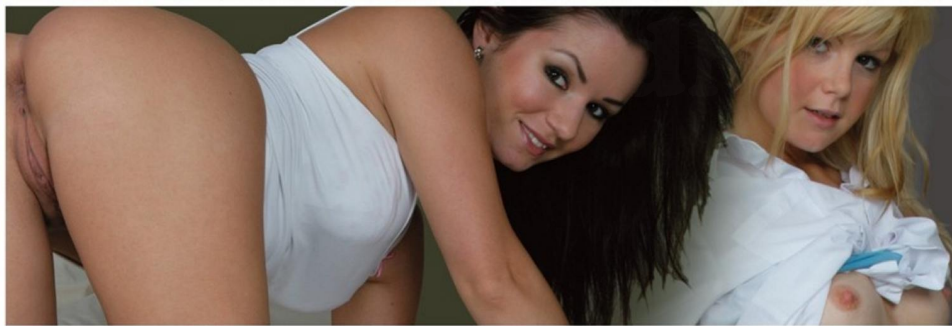

I'm big and proud, my husband loves to rub his hands over my body. He wanted to take some photos and show me off and send them into a magazine. He says he wants to be a porno photographer, but I only hope that he just takes the photos and nothing else. So just in case his hands wonder I am happy to entertain any readers out there who would like to get up and personal with me. Just write in with a photo.

Lana Mayo

Lana Mayo wants to find a man that will film her sucking her husband's cock.

L'I love sucking on a big juicy cock and they don't come much bigger and juicier than my husbands. I like to have sex in front of the camera, because I get really turned on by watching our bodies come together and the facial expressions that my husband makes when he ejaculates over my face and tits when I've suck him off. Where both thinking of buying a video camera and making our own sexy porn movies, but where going to need a little helping hand. Any offers?

Kelly Graham

Kelly Graham from London is looking to give her husband a real treat.

'My husband's fantasy is to have a threesome with another woman, I've had two men before and having a cock in my pussy and arse at the same time was amazing. But I'd love to invite another girl into our bedtime fuck sessions. I think it was be so exciting to fight over my husband's cock with another woman, I would love to see her get a good hard banging from my husband Colin, whilst I suck on her tits and whisper into her ear, telling her what a dirty, filthy whore she is cumming on my Colin's cock. Her punishment would be to tongue my cum filled pussy clean like an ice cream.'

Just look at this Sunderland bombshell lying down ready to please you readers! I'm a real Sunderland girl, easy going and good for a laugh with the boys in the pub. I support my local football team with my husband Jonnie boy. We're a new married couple and things are still hot in the bedroom and anywhere else in our little flat. Jonnie is a bit of a kinky boy who likes to have sex in public places. He gets a big turn on fucking me in place that we might get caught. But I'm just a simple girl who likes to keep it in doors, mainly because I can't always keep my mouth shut, when John puts his cock in me, and sometimes its not always in my pussy hole, if you know what I mean.

Cont.

The only kinky thing I have ever done is sleep with a girl in my college days, but I know if John finds out he will want a replay of that event, with himself being smack bang in the middle of me and the other girl; but I think I will save that one for his birthday. I one thing that I do ask Jonnie to have is a silky smooth penis, I think it feels nicer and much more sexier to feel each other's skin slipping in my juices as we fuck, I such a juice cow you wouldn't believe the mess I make of myself and Jonnie when we fuck.'

Sandra Baker

This wild, Welsh wife from Pontypridd is gagging to give her husband a good fuck!

'I love to dress up and look sexy for my husband; it doesn't have to be a special occasion, I just like the attention he gives me when I'm showing off my slinky curves. He likes me to show off my legs and round bottom; I think its because I don't have much of a tit size, so his concentration goes to those areas of my body. When were naked and having sex, I like to wrap me legs around his head and pull his face tight into my pussy, I get such a buzz seeing his face covered in my juices. But I make it up to him by giving him a sexy lap dance and deep-throated suck on his uncut penis.

Cont....

I lube his cock with my spit and the juices from my pussy, then when his cock is slippery and wet, I fist him red raw until he is spraying cum all over my face and little tits. I love being a dominating mistress, I'm thinking of buying some sexy black leather clothing for our next sex session.'

Heidi Copeland

Heidi Copeland from Basildon is a feisty girl and rights any girl who might come between her and her husband.

'I'm a jealous gal, who gets mad everytime I see my husband talking to strange women. But when I get mad I also get horny and I make sure that my husband knows where to put his thick hard cock. I'm always clean shaven, as I know it makes Jim want to spunk his load over my pussy and watch me finger fuck every last white pool into my pink hole. So when I become a bunny boiling sex bitch, I immediately start to search for a quiet place, whether we are in public or not, and grab my husband Jimmy and make him fuck me. I think that he talks to these girls on purpose sometimes, because when I get mad, he gets the fuck of his life.'

Jana Birch

Sexy Jana is looking for some filthy fun with a new bedtime buddy.

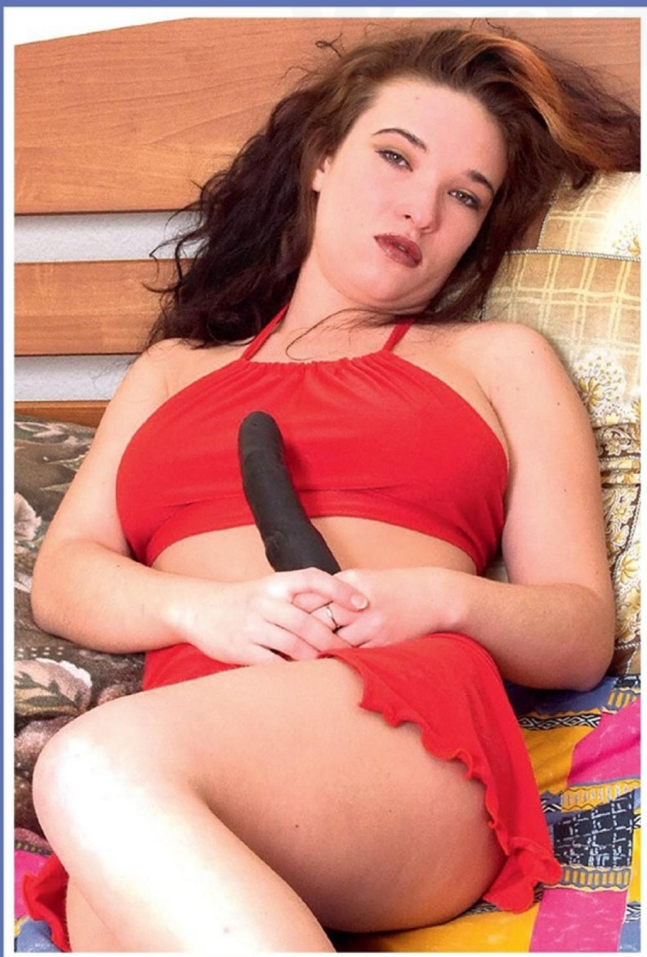

'My husband and I are leading separate lives, we get on as friends, but our sex life is nothing like it was, I think I am just too dirty for him. He only knows one position and that isn't good enough for me. I'm a full-grown woman that needs more than just a kiss and a cuddle. I want to be thrown across the room and treated to a hard fuck, I don't mind a few bumps as long as I get a cock to tear me in two. I have cheated on him, but I at a point where I don't care if he know or not. I'm going to get myself some cock and fully inflated balls and give them a good squeeze and make sure I get that sperm all the way down my throat.'

Anoushka Brown

Anoushka Brown from Brighton brings her amazing curves to Real Wives.

'I'm Russian decent, which my husband makes a joke about and tells everyone that he found me on the internet, but I don't feel Russian until the lights go down in the bedroom and then things get really naughty. I get a little strict and wild when sex is on the menu with my husband Michael. Red is my favourite colour to wear and I have some very sexy lacey red numbers that I like to wear in bed for him to look at. The best features that I have are my tits and ass. I like to have his hands run over my body, especially when he uses oils. My body feel electric when I feel him slip fingers, and fist into holes that I have, I just scream like a girl and get all giggly until he introduces his throbbing manhood into my mouth and dumps his load down my throat.'

Beth Wells

I've been posing for my husband and his friends for a long time and its becoming more wilder everytime we have these photo and sex parties. But I'm getting bored with the same old faces and I'm looking for younger guys to get involved. If you are not shy in taking your clothes off and having people take pictures of you having sex with me, then why not write in to the magazine and they will pass them on to me. As you can see I am a full figured woman with an amazing pussy that is easy to excite and it stays wet, so there is not fear of me drying up half way through the night. You don't have to have the biggest dick in the world, or even have to be experienced in sex. I would love to break in a young mans cock and have pictures for the memories.

Beth Wells - London

Gemma Goose

I'm a married but bored Toon girl looking to get some different excitement in her life. As you can see by the pictures I sent in, I'm not a bad looking wife and if you want my pussy a little hairier I can let it grow for the right guy. Just get in contact the usual way and I'm sure we both will be cumming in the bedroom in no time at all.

Alex O'Toole

Busty and dirty Alex from South London produces the goods for you . . . eager beaver readers.

B'I love posing naked it's a real thrill for me, my husbands loves its too its clear from looking at his bulge in his trousers. We have been together for four years and our sex lives are the same as when we first met maybe even better then before, sometimes he brings lads back from work and we have a little orgies, he is always trying find new people to join in, I love coming home to someone I don't know and putting there cock deep into my throat while my husband douses me from behind, its just homely gal I am..'

!! I love coming home to someone I don't know and putting their cock deep into my throat... !!

Karry Woods

Karry Woods from Cornwall is a Real Wife - slinky stunner, she tells us how wild her husband is!

'I met my husband whilst going out with another guy, I'm not a popular girl with some of my girlie mates because I can't always be faithful to the nicer guys I have been with. But I just can't help myself if a good-looking fella catches my eye. My new husband is great about my wandering eye; in fact he encourages me to seek out strangers to fuck. He gets a massive hard-on watching me in bed with another cock in my pussy. He never joins in but loves to hear me explain how I liked it and tries to fuck me in the same way. He's kinky but I love him.'

!! He gets a massive hard-on watching me in bed with another cock in my pussy. !!
